## Technical Specifications

|                       |                   |
|-----------------------|-------------------|
| Air Mixing Capability | Yes               |
| Awards                | Good Design       |
| Body Material         | Brass             |
| Brand                 | VitrA             |
| Built-in Product      | 0                 |
| Check Valve           | Yes               |
| Color                 | Brushed Nickel    |
| Color Group           | Brushed Nickel    |
| Depth (mm)            | 158               |
| Designer              | VitrA Design Team |
| Easy Assembly Feature | Yes               |
| Filter                | Yes               |

|                             |                                |
|-----------------------------|--------------------------------|
| Height (mm)                 | 175                            |
| Installation Type           | Countertop                     |
| Material                    | PVD                            |
| Number of Holes             | 1                              |
| Number of Water Inlets      | Double Inlet                   |
| Operating Pressure          | Min:0.5-Max:8 Recommended(1-5) |
| Outlet Rotation Angle       | Fixed                          |
| Packaged Dimensions (WxDxH) | 380 x 246 x 115                |
| Power Supply                | Battery operated               |
| Special Solutions           | Touch-free                     |
| Touch-free Products         | Yes                            |
| Width (mm)                  | 36                             |
